Safeguarding and Welfare

Kendal Snowsports Club is committed to the safeguarding and the welfare of all our members. We have a duty of care and will ensure all children and adults, have a safe, positive, and fun experience, and are treated with respect. As your Club Welfare Officers, we oversee all Safeguarding for the club and are the point of call for any concerns. You can contact any of us to raise a concern and we will deal with it sensitively, confidentially, discreetly and with honesty and purpose. We may need to share information but this will only be on a strict need to know basis.

My family and I came to live in Kendal in 2004, we have fallen in love with the beautiful Lake District and settled well, surrounded by amazing views and friendly local people. I enjoy endless walks in the glorious scenery with high fells reflected in many lakes and tarns, as well as fresh open water swimming, even on a cold and rainy day!

I enjoy participating in the ski lessons at Kendal Snowsports Club and can be found at the club most **Tuesday evenings between 6.30pm and 8pm and at club events**

I run Real Adventure, outdoor education activities, with my wife Jen. I'm a local lad who has been delivering outdoor education for over 20 years and am a climber by default. My main passion for skiing lies on alpine back country touring and skiing into winter climbs but I can be seen on the slope attempting to hone my skills to be more like a skier. I am often at the club with my wife and two sons.

My regular duties at the slope will be most **Saturday evenings between 4.30pm and 6pm plus club events**

Having been the lead safeguarding person for the past 10 years I am now stepping back from this role. However, I am still happy to deal with any welfare concerns you may have.

I have been an instructor at Kendal Snowsports Club, involved with junior lessons for 38 years. I am instructing at the slope every **Saturday morning during Junior lessons 9am – 1pm and attend most events. I'm always happy to have a chat.**
